MOTION BY VICE MAYOR DURBIN TO APPROVE THE AUGUST 4, 2026, REGULAR CITY COUNCIL MINUTES; SECONDED BY COUNCIL MEMBER FETTEROLF. MOTION PASSED BY A UNANIMOUS VOICE VOTE.

PRESENTATIONS

2. Umatilla Police Department Drone Program

Chief Seeley presented the Umatilla Police Department's newly established Drone Program to Council. He explained that the program will provide officers with an additional tool to better serve and protect the community by assisting with locating missing persons, searching for suspects, responding to natural disasters, and enhancing officer safety through improved aerial situational awareness. Chief Seeley stated that all drone operations will be conducted in accordance with Federal Aviation Administration (FAA) regulations, Florida law, and Umatilla Police Department policy to ensure the technology is used responsibly and in the best interest of the community.

3. Owens Lane Improvements and Dirt Road Inventory Analysis

Duane Booth, P.E., of Halff Engineering, provided an overview of his evaluation of the City's unimproved roads and recommendations for improvements. Mr. Booth explained that the City currently has 10 unimproved roads and has received numerous resident complaints regarding unsafe driving conditions, excessive dust, and vehicle wear and tear. He noted that improving the roads with millings/asphalt binder and ribbon curb would provide a more cost-effective long-term solution than traditional paving, while reducing maintenance needs and eliminating dust concerns. Mr. Booth reviewed estimated improvement costs for the 10 roads, with a total estimated cost of \$1,529,230. The estimates range from \$52,800 for Seminole Street to \$451,678 for Owens Lane.

Mayor Creech opened public comment

Chester Dixon, 530 W. Ocala, inquired about the City's stormwater system and drainage concerns. He asked questions regarding stormwater management and drainage issues.

Calvin Mitchell expressed his opinion regarding the proposed improvements, stating that he believes the project should stop at Ocala Street and should not extend farther north.

Scott Jensen spoke regarding the lack of sidewalks along the road and stated that if the road is paved, sidewalks should also be considered as part of the improvements to provide safer pedestrian access.

Mike Straughan, 595 Crescent Street, in favor of the road being closed

Mayor Creech closed public comment

The Council discussed various options for addressing the road, including installing sidewalks, improving drainage, closing the road, placing millings, and fully paving the roadway. Discussion included the possibility of placing millings from south to north as a more cost-effective improvement option. Council also discussed the feasibility of paving the road, noting that continued paving would involve easements associated with the School Board.

Council discussed moving forward with a bid for all four streets, including options for millings and paving. The discussion also included installing speed bumps and stop signs, addressing drainage needs and obtaining necessary easements from property owners, and coordinating with the School Board regarding required easements. Staff was directed to contact the School Board immediately.

PUBLIC COMMENT

Mayor Creech opened public comment

Charelle Burgess, Umatilla Chamber of Commerce, provided an update on the Chamber's activities and membership, noting that the Chamber currently has 183 members. Ms. Burgess highlighted the Chamber's active involvement in the community and shared that they recently hosted a breakfast for educators on August 4, which served more than 300 educators. She also encouraged the City to meet with the Chamber to discuss opportunities for collaboration and ways the Chamber can assist the City and local community.

Chester Dixon, 530 W. Ocala Street, commended the Police Department, Fire Department, and Public Works Department for their quick response after a large tree fell last Friday and blocked the roadway at 450. Mr. Dixon stated that the departments worked together to clear the roadway and had the area completely cleaned up within approximately 30 minutes.

Mayor Creech closed public comment

NEW BUSINESS

8. Acceptance of Woodsong Subdivision Maintenance Bond

Mr. Nilson provided an update on the Woodsong Subdivision, stating that construction is complete and the development is ready to proceed with recording the plat. He explained that, pursuant to the Developers Agreement, the property owners are required to provide a two-year maintenance bond for the City's public infrastructure in the amount of 10% of the total construction cost, totaling \$304,996.57. Mr. Nilson noted that the City Attorney reviewed the bond and found it acceptable.

REPORTS

9. Staff Reports

Chief Lanoue had nothing to report.

Assistant City Manager Bolton had nothing to report.

City Manager Mercer discussed the approved policy designating Assistant City Manager Adam Bolton as the City's Public Information Officer (PIO). He explained that, as part of this role, Assistant City Manager Bolton will be included among the City's "need-to-know" personnel when significant incidents or events occur. This will allow him to receive timely information and keep Council informed regarding matters affecting the City.

City Attorney Cotch advised Council that the deadline for the 410 N. Orange property was that day and that neither City staff nor her office had been contacted regarding the matter. Council reached consensus for the City Attorney's Office to proceed with preparing the foreclosure documents. Attorney Cotch also requested Council's consent to move forward with closing on the church property on Friday.

Council Member Fetterolf had nothing to report.

Council Member Crockett inquired about including information regarding the time capsules on the signs so that the public could learn more about them and information on how to purchase them.

Mayor Creech had nothing to report.

Vice Mayor Durbin commended City staff for their hard work and efforts in preparing the airport budget.

Chief Seeley provided an update on the golf cart process, stating that the City has submitted the request to the Florida Department of Transportation (FDOT), along with the supporting documentation. The City is currently awaiting a response from FDOT.

Ms. Lambert had nothing to report.

Mr. Nilson provided an update regarding the carvings at Cadwell Park, noting that several are in need of repair. He stated that the estimated cost to repair one of the carvings is approximately \$1,000 and questioned whether the City should continue investing in their maintenance. Mr. Nilson inquired whether Council would be agreeable to gifting one of the carvings to a City employee who has worked on and maintained the carvings over the years. Council agreed to the request. Mr. Nilson stated that staff would identify appropriate locations throughout the City for the remaining carvings.

City Clerk Burnham had nothing to report.

Ms. Stultz had nothing to report.

ADJOURNMENT

With no further business for discussion, the meeting adjourned at approximately 7:37 p.m.

AGENDA ITEM STAFF REPORT

DATE: August 13, 2026

MEETING DATE: September 1, 2026

SUBJECT: First Reading of Ordinance No. 2026-L, Mammoth PUD Amendment

BACKGROUND SUMMARY:

The applicant is requesting an amendment to Ordinance 2002-H, and a Master Development Agreement is needed to bring the properties into compliance with the City's regulations, as the existing Industrial PUD approval was tied to the former Lake Cogen facility. Mammoth Constructors currently uses the properties for office space, employee parking, and outdoor storage. The amendment would allow a range of industrial, commercial, construction, warehouse, retail, and related uses. Due to nearby residential properties, noise-generating activities would be limited to 7 a.m.–7 p.m. The proposal also establishes minimum setbacks, required landscaping buffers, a maximum FAR of 0.50, a maximum impervious surface ratio of 0.75, and a maximum building height.

CITY OF UMATILLA
STAFF REPORT BY LPG URBAN & REGIONAL PLANNERS, LLC

PUD Amendment

Owner: DRT, LLC, Kevin Rodrigue, Managing Member

Engineer: MEI Partners, LLC, Richard Campanale, P.E.

Number of Acres: 6.17 ± acres

General Location: North of Lake Gem Road and South of Roberts Street

Existing Zoning: Industrial Planned Unit Development (IPUD)

Existing Land Use: Industrial (75% ISR)

Date: July 22, 2026

Description of Project

The applicant is seeking an amendment to the Planned Unit Development (PUD) and concept plan approval for Phase I which consist of a 10,400 SF workshop/warehouse facility and Phase II which consists of a 3,240 SF office facility with associated parking. The proposed project area is 2.92 acres.

	Surrounding Zoning	Surrounding Land Use
North	Urban Residential District (UR-5)	SF Medium Density (5 units/acre)
South	County Light Manufacturing (LM) (Florida Naturals)	County Industrial
East	Industrial PUD (Duke Energy Sub-station and The Ol' Packing House Antiques)	Industrial
West	Industrial PUD (All Steel Storage)	Industrial

Assessment

PUD Amendment

It has come to staff's attention that the existing Industrial PUD approval was for a facility related to Lake Cogen; therefore, a PUD Amendment and Master Development Agreement will be required to bring the properties into compliance. The existing business known as Mammoth Constructors (drilled shaft contractor) utilizes alternate key # 1125219 as an office (2,457 SF), parking for employees, and outdoor storage. Alternate key #'s 3388984 and 3826246 is currently being utilized by Mammoth Constructors for outdoor storage.

The current LDRs regarding an Industrial PUD permitted uses include all permitted LM uses and any other uses deemed appropriate by the City Council. Permitted uses include all permitted C-2 uses. The proposed permitted uses for the subject site include the following:

- Artesian/Craftsman Shop
- Construction Contractors Yard and Storage;
- Commercial/Industrial Equipment and sales;
- Equipment Rental;
- Machine Shop;
- Manufacturing: Fabrication;
- Office;
- Retail Home Building Materials;
- Restaurant without drive through facilities;
- Specialty Trade Contractors;
- Warehousing;
- Welding Shop; and
- Customary and incidental accessory buildings and structures subordinate to the primary use.

Due to the location adjacent to residential properties along the northern property boundary, noise generating activities are to be conducted between the hours of 7 a.m. and 7 p.m.

The proposed minimum setbacks are as follows:

- Front: Road Right of Way - Fifty feet (50')
- Side: Road Right of Way – Twenty-five feet (25')
- Side (adjacent to another lot) – Ten feet (10')
- Rear: Another Lot – Twenty-five feet (25')
- Rear: Road Right of Way – Twenty-five feet (25')
- Accessory Structure Setback: All accessory structures shall be located no closer to the property line than ten feet (10').
- Required landscape buffers shall supersede the minimum setbacks permitted by this section.

The proposed maximum Floor Area Ratio (FAR) is 0.50, maximum Impervious Surface Ratio (ISR) is 0.75. and maximum building height of 35'.

Concept Plan

The applicant is requesting concept plan approval of the existing development and proposed development of a 10,400 SF workshop/warehouse facility on 2.24 acres known as Phase I and Phase II (0.68 acres) consisting of a new office building (3,240 SF) with associated parking and stormwater (parcel ID 3388984). The concept plan identifies improvements to the existing driveway off of Golden Gem Drive which is proposed as an asphalt driveway apron.

Access to Phase I is proposed from the adjacent existing development. Phase II access will come from Golden Gem Drive. No improvements to parcel ID 3826246 are proposed at this time and will be designated as future development.

The boundary survey includes three alternate key numbers 3826246, 3388984, and 1125219. The applicant submitted a Unity of Title for alternate key numbers 1125219 and 3388984. The applicant indicates that alternate key # 3826246 is slated for future development and would like the ability to sell the parcel which is why it is not included in the Unity of Title.

A 6' chain link fence is provided along the entire property boundary. Review of the concept plan indicates a landscaping buffer of 20' Type "B" is provided adjacent to Roberts Street. Landscape buffers for a PUD are negotiated at time of zoning approval. Per Chapter 15, Section 5(b) and Tables 1 and 2 indicate that PUD requires a minimum 20' Type "B" buffer and Industrial property requires a 30' Type "D" landscape buffer. Section 5(a)(2) allows buffering adjacent to public right of ways a 15' Type "A" buffer and Section 5(b) Table 1 allows adjacent properties with like zoning a 15' Type "A" buffer. The site plan indicates a 15' Type "A" buffer along Golden Gem Road. No other buffers are proposed at this time.

Golden Gem Road and Roberts Street are under the jurisdiction of the City of Umatilla; both are designated as local streets and have an adopted LOS of "D". The concept plan identifies that the applicant will provide 15' of additional right of way along Golden Gem Drive. No access is proposed from Roberts Street and the proposed Master Development Agreement would prohibit access except for emergency access only. The existing driveway and proposed driveway meet the minimum technical standards of access control per Chapter 14, Section 4.

A trip generation analysis was submitted and indicates that Phase I would generate 24 additional trips and Phase II would generate 35 additional trips which are considered de minimis impacts.

Recommendation

Staff recommends approval of the PUD Amendment and concept plan as it meets the technical requirements of the LDRs, is compatible with adjacent development, and is consistent with the City's Comprehensive Plan.

ORDINANCE 2026-L

AN ORDINANCE OF THE CITY OF UMATILLA, COUNTY OF LAKE, STATE OF FLORIDA, AMENDING ORDINANCE NO. 2002-H, AS AMENDED, APPROVING AN AMENDMENT TO AN EXISTING INDUSTRIAL PLANNED UNIT DEVELOPMENT AND APPROVING AND AUTHORIZING EXECUTION OF A DEVELOPMENT AGREEMENT PURSUANT TO SECTIONS 163.3220–163.3243, FLORIDA STATUTES RELATING TO REAL PROPERTY CONSISTING OF 6.16 ± ACRES GENERALLY LOCATED WEST OF STATE ROAD 19 AND NORTH OF GOLDEN GEM DRIVE; AMENDING THE CONCEPTUAL SITE PLAN; PROVIDING FOR CONDITIONS AND CONTINGENCIES; DIRECTING THE CITY MANAGER TO PROVIDE CERTIFIED COPIES OF THIS ORDINANCE TO THE CLERK OF THE CIRCUIT COURT, AND THE LAKE COUNTY MANAGER; PROVIDING FOR SEVERABILITY; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Owner desires to amend the Planned Unit Development conditions previously approved by Ordinance No. 2002-H, as amended, for certain real property consisting of approximately 6.16 ± acres located west of State Road 19 and north of Golden Gem Drive, as legally described in Exhibit “A” attached hereto and incorporated herein by reference (the “Property”); and

WHEREAS, the proposed amendment affects approximately 6.16 ± acres of the Property and includes the addition of a workshop/warehouse and office; and

WHEREAS, the petition bears the signature of all required parties; and

WHEREAS, the required notice of the proposed PUD amendment and Development Agreement has been properly published; and

WHEREAS, the City Council has conducted two (2) duly noticed public hearings on the proposed Development Agreement in accordance with Section 163.3225, Florida Statutes; and

WHEREAS, the City Council reviewed said petition, the staff report, and any comments—favorable or unfavorable—from the public and surrounding property owners at a duly advertised public hearing; and

WHEREAS, upon review, certain terms pertaining to the development of the Property have been duly approved; and

WHEREAS, the City Council has determined that this amendment and proposed Development Agreement is consistent with the City of Umatilla Comprehensive Plan and Land Development Regulations.

WHEREAS, the City Council finds that public facilities, including transportation, water, sewer, drainage, solid waste, and public safety services, are available or will be available concurrent with the impacts of development authorized by the Development Agreement; and

WHEREAS, the City Council finds that the Development Agreement is in the public interest and will promote the health, safety, and welfare of the citizens of the City;

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Umatilla, Florida, as follows:

Section 1: Purpose and Intent. This Ordinance amends the existing Industrial Planned Unit Development approved by Ordinance No. 2002-H, as amended, in order to (a) allow the development of a workshop/warehouse and office, (b) amend the conceptual site plan, and (c) approve and authorize execution of the Development Agreement, pursuant to Sections 163.3220–163.3243, Florida Statutes, establishing conditions, standards, and obligations applicable to the amended portion of the Planned Unit Development.

Section 2: Zoning Classification. The Property shall remain designated as Industrial Planned Unit Development (IPUD), in accordance with Chapter 6, Section 2(k) of the Land Development Regulations of the City of Umatilla, Florida. The Property shall be subject to the Umatilla Land Development Regulations pertaining to properties within the Planned Unit Development District and shall be developed according to the Master Development Agreement attached hereto as Exhibit “B”, which is hereby approved and incorporated by reference and shall run with the land and be binding upon the Owner and its successors and assigns.

Section 3: Conditions of Approval. Development of the Property shall be subject to full compliance with the Development Agreement attached hereto as Exhibit “B,” including but not limited to requirements relating to permitted uses, development standards, infrastructure, open space preservation, platting, utilities, and environmental compliance. The Development Agreement is hereby adopted as a condition of this approval and shall be enforceable as provided therein.

Section 4: Amendment to Official Zoning Map. The City Manager, or designee, is hereby directed to amend, alter, and implement the official zoning map of the City of Umatilla, Florida, as necessary to reflect this approved amendment.

Section 5: Development Agreement Approval. The Development Agreement attached hereto as Exhibit “B” is hereby approved pursuant to Sections 163.3220–163.3243, Florida Statutes. The Mayor is authorized to execute said Agreement, and the City Clerk is authorized to record the fully executed Agreement in the Official Records of Lake County, Florida in accordance with Section 163.3239, Florida Statutes.

Section 6: Severability. If any provision or portion of this Ordinance is declared by any court of competent jurisdiction to be void, unconstitutional, or unenforceable, then all remaining provisions and portions of this Ordinance shall remain in full force and effect.

Section 7: Scrivener’s Errors. Scrivener’s errors in the legal description or cross-references to ordinance numbers may be corrected without a public hearing by re-recording the original ordinance or a certified copy of the ordinance and attaching the correct legal description.

Section 8: Effective Date. This Ordinance shall become effective immediately upon passage. The Development Agreement shall become effective in accordance with its terms and upon recording.

PASSED AND ORDAINED in regular session of the City Council of the City of Umatilla, Lake County, Florida,

RECITALS

1. The Owner desires to amend the Planned Unit Development conditions previously approved by Ordinance No. 2002-H, as amended, consisting of approximately 6.16 acres of property within the City of Umatilla, described and depicted as set forth on Exhibit "A" attached to and incorporated in this Agreement (the "Property").
2. The Property is currently located within the City of Umatilla and is currently zoned Industrial Planned Unit Development ("IPUD") with a future land use designation on the City of Umatilla Future Land Use Map of "Industrial."
3. The City Council has determined that the amendment to the IPUD conditions and proposed development are consistent with the City's Comprehensive Plan, Land Development Regulations, and the public interest.
4. Owner represents that it is the sole legal owner of the Property and that it has the full power and authority to make, deliver, enter into, and perform pursuant to the terms and conditions of this Agreement and has taken all necessary action to authorize the execution, delivery, and performance of the terms and conditions of this Agreement.
5. The City of Umatilla has determined that the amendment to the IPUD conditions of the Property and the proposal for its development presents, among other things, an opportunity for the City to secure quality planning and growth, protection of the environment, and a strengthened and revitalized tax base.
6. Owner will fund certain public improvements and infrastructure to facilitate the development of the Property and has further offered to adhere to certain development standards outlined herein.
7. The Property is within the City's Chapter 180, Florida Statutes, utility district, and Owner has requested and City desires to provide water as well as other municipal services to the Property.

ACCORDINGLY, in consideration of the mutual benefits and the public interest and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

Section 1. Recitals. The above recitals are true and correct, are hereby incorporated herein by reference, and form a material part of this Agreement. All exhibits to this Agreement are hereby deemed a part thereof.

Section 2. Conditions Precedent. Owner has filed an application for an amendment to the IPUD zoning conditions for the Property. It is understood and agreed to by the City and the Owner that this Agreement shall not be binding or enforceable as to any Party unless and until: a) the City adopts an ordinance approving the IPUD amendment and this Agreement; and b) this Agreement is executed by both Parties and recorded in the Official Records of Lake County, Florida. The parties hereto understand and acknowledge that the City is in no way bound to amend or rezone the Property. The City shall have the full and complete right to approve or deny the application for zoning amendment. However, if the City denies the application for zoning amendment, this Agreement shall be void and shall be of no further force and effect.

Section 3. Statutory Authority and Intent. This Agreement is entered into pursuant to and in accordance with the Florida Local Government Development Agreement Act, Sections 163.3220–163.3243, Florida Statutes. The Parties intend that this Agreement constitute a “development agreement” within the meaning of such Act and be interpreted and enforced in accordance therewith.

Section 4. Land Use/Development. Development of the Property shall be substantially consistent with the Conceptual Plan prepared by MEI Partners attached as Exhibit “B” (the “Plan”). All development shall be consistent with the City’s IPUD zoning district and the City of Umatilla Comprehensive Plan and Land Development Regulations in effect on the Effective Date, as vested pursuant to Section 163.3233, Florida Statutes, except as otherwise expressly provided herein.

Section 5. Permitted Uses. Permitted Uses of the Property are as follows:

- a. Artesian/Craftsman Shop
- b. Construction Contractors Yard and Storage;
- c. Commercial/Industrial Equipment and sales;
- d. Equipment Rental;
- e. Machine Shop;
- f. Manufacturing; Fabrication;
- g. Office;
- h. Retail Home Building Materials;
- i. Restaurant without drive through facilities;
- j. Specialty Trade Contractors;
- k. Warehousing;
- l. Welding Shop; and
- m. Customary and incidental accessory buildings and structures subordinate to the primary use.

Section 6. Development Standards. Development Standards for the Property shall be as follows:

- a. Minimum Setback requirements shall be:
 - Front: Road Right of Way - Fifty feet (50')
 - Side: Road Right of Way - Twenty-five feet (25')
 - Side (adjacent to another lot) - Ten feet (10')
 - Rear: Another Lot - Twenty-five feet (25')
 - Rear: Road Right of Way - Twenty-five feet (25')
 - Accessory Structure Setback: All accessory structures shall be located no closer to the property line than ten feet (10').
 - Required landscape buffers shall supersede the minimum setbacks permitted by this section.
- b. Maximum building height shall be limited to thirty-five feet (35').
- c. Noise generating activities shall be conducted between the hours of 7 am to 7 pm.
- d. Maximum Floor Area Ratio (FAR) shall not exceed 0.50.
- e. Maximum Impervious Surface Ratio (ISR) shall not exceed 0.75.
- f. Outdoor Storage shall be appropriately screened from public right of ways and adjacent properties; and approved for storage as part of an approved site plan.
- g. A Unity of Title shall be filed and recorded in the Public Records of Lake County prior to final site plan approval.

Section 7. Site Access and Transportation Improvements. Vehicular access to the project site shall be provided by access onto Golden Gem Drive. No access shall be provided onto Roberts Street except for emergency access only.

- a. The Owner shall provide all necessary improvements within and adjacent to the development as identified in a traffic impact study approved by the City, Lake County, and/or FDOT, and as required to maintain adopted level of service standards.

- b. All roads or related transportation improvements associated with the development will be privately owned and maintained. The City shall have no obligation to accept, maintain, repair, or improve any private road or transportation improvement serving the Property.
- c. A traffic impact study shall be submitted prior to site plan approval for review and determination of any necessary access or off-site improvements if required by the Florida Department of Transportation, Lake County, or the City of Umatilla.

Section 8. Lighting. All exterior lighting shall be arranged to reflect light away from adjacent properties to the greatest extent possible while providing lighting adequate to ensure safety on road right of way.

Section 9. Water and Wastewater. Subject to the terms herein, Owner and its successors and assigns agree to obtain water and wastewater service (hereafter, "Utilities") from City when such services are available and legally required, and in accordance with Chapter 180, Florida Statutes, and applicable City ordinances. The rates to be charged by City for Utilities to the Property shall be those rates and charges made by the City to its customers which are from time to time approved by the City Council or by any other governmental regulatory body from time to time having jurisdiction over such matters. Owner covenants and warrants to City that it will not engage in the business of providing such Utilities to the Property or within City's F.S. Chapter 180 utility district. Notwithstanding the foregoing, private wells for irrigation purposes will be allowed within the Property so long as such wells are approved and permitted by the St. Johns River Water Management District (the "District") and comply with the rules and regulations of the District. Owner shall construct, at Owner's expense, all on-site utility facilities as well as pay for the extension of facilities from City's eventual point of connection at the edge of the Property. All such improvements must be constructed to City requirements and dedicated to and accepted by the City as a contribution in aid of construction, if required by the City. The Owner shall provide the City utility easements related to the Property as requested by the City from time to time. The City shall further provide all other municipal services to the Property as are needed by Owner from time to time in accordance with the City's applicable policies for the provision of said services.

Section 10. Public Facilities; Concurrency. The City finds that public facilities, including transportation, potable water, sanitary sewer, drainage, solid waste, parks, and public safety facilities, are or will be available concurrent with the impacts of development authorized by this Agreement, consistent with the City's adopted level of service standards and concurrency management system. Owner shall be responsible for constructing or funding those improvements identified through required studies and approvals necessary to maintain adopted levels of service.

Section 11. Impact Fees. Owner shall be required to pay impact fees as established by City from time to time, including water, sewer, police, and fire impact fees. The amount to be paid shall be the adopted impact fee rate schedule at the time of building permit is issued.

Owner agrees to pay all other impact fees and any impact fees adopted after the execution of this Agreement as building permits are issued. If impact fees increase from the time they are paid until the building permit is issued, Owner shall pay the incremental increased amount at the time building permits are issued. Prepayment of utility impact fees and acceptance by City of such fees shall reserve capacity. No capacity is reserved until or unless such fees have been paid pursuant to an agreement with City. Owner agrees and understands that no capacity has been reserved and that Owner assumes the risk that capacity will be available.

Section 12. Easements. Owner shall provide the City such public easements or right of way in form acceptable to the City Attorney, as the City deems necessary for utility services, including but not limited to water, sewer, enhanced nutrient reducing onsite sewage treatment and disposal system, and drainage.

Section 13. Landscaping/Buffers. Owner acknowledges and agrees to comply with the City's Land Development Regulations relating to landscaping and agrees to comply with such regulations. A twenty-foot (20') Type "B" landscape buffer shall be installed along the northern property boundary, adjacent to Roberts Road. A ten-foot (10') Type "A" buffer shall be installed adjacent to the eastern property boundary. A fifteen-foot (15') Type "A" landscape buffer shall be installed along the western and southern property boundary, adjacent to Golden Gem Drive. Owner shall, at its sole expense, install underground irrigation systems on all common areas of the Property,

as well as exercise any other measures reasonably necessary to ensure the long-term maintenance of the landscaping.

Owner acknowledges City's goal of achieving a greater level of tree preservation within the City. In aid of such goal, Owner agrees to comply with all existing applicable City of Umatilla Land Development Regulations pertaining to tree removal and replacement, subject to limitations or modifications by Florida Statute.

Owner shall be required to replace landscape trees, shrubs or ground cover that are dead within thirty (30) days. Failure to install or maintain required landscaping and buffers shall constitute a violation of this Agreement and the City's Land Development Regulations and may be enforced accordingly.

Section 14. Stormwater Management. Owner agrees to provide at Owner's expense a stormwater management system consistent with all regulatory requirements of the City and the St. Johns River Water Management District. Impacts to flood plains are allowed in accordance with the Water Management District procedures for compensating storage and will be based on the 100-year floodplain established by Lake County.

Section 15. Other Municipal Facilities/Services. The City hereby agrees to provide, either directly or through its franchisees or third party providers, police and fire protection, and solid waste collection, disposal, and recycling services to the Property under the same terms and conditions and in the same manner as are afforded to all other commercial property owners within the City.

Section 16. Signage. Signage shall be in compliance with all applicable regulations contained within the City of Umatilla's Land Development Regulations, unless City grants a waiver or variance pursuant to the City's Land Development Regulations.

Section 17. Environmental Considerations. The Owner agrees to comply with all federal, state, county, and city laws, rules and regulations regarding any environmental issues affecting the Property.

Section 18. Compliance with City Laws and Regulations. Except as expressly modified herein, all development of the Property shall be subject to compliance with the City Land Development Regulations and City Code provisions, as amended, as well as regulations of county, state, local, and federal agencies. All improvements and infrastructure shall be constructed to City standards.

Section 19. Due Diligence. The City and Owner further agree that they shall commence all reasonable actions necessary to fulfill their obligations hereunder and shall diligently pursue the same throughout the existence of this Agreement.

Section 20. Enforcement/Effectiveness. A default by either Party under this Agreement shall entitle the other party to all remedies available at law. Nothing in this Agreement shall be construed to limit or waive the City's police powers or its authority to enforce applicable laws, ordinances, or regulations.

Section 21. Governing Law. This Agreement shall be construed in accordance with the laws of the State of Florida and venue for any action hereunder shall be in the Circuit Court of Lake County, Florida.

Section 22. Binding Effect; Assignability. This Agreement, once effective, shall be binding upon and enforceable by and against the parties hereto and their assigns. This Agreement shall be assignable by the Owner to successive owners. Owner shall, however, provide written notice to the City of any and all such assignees. The rights and obligations set forth in this Agreement shall run with the land and be binding on all successors and/or assignees. The parties hereby covenant that they will enforce this Agreement and that it is a legal, valid, and binding agreement. Owner shall notify the City in writing within thirty (30) days of any transfer of ownership. This Agreement shall be recorded in the Official Records of Lake County at Owner's expense.

Section 23. Waiver; Remedies. No failure or delay on the part of either party in exercising any right, power, or privilege hereunder will operate as a waiver thereof, nor will any waiver on the part of either party or any right, power, or privilege hereunder operate as a waiver of any other right, power, privilege hereunder, nor will any single

or partial exercise of any right, power, or privilege hereunder preclude any other further exercise thereof or the exercise of any other right, power, or privilege hereunder.

Section 24. Exhibits. All exhibits attached hereto are hereby incorporated in and made a part of this Agreement as if set forth in full herein.

Section 25. Notice. Any notice to be given shall be in writing and shall be sent by certified mail, return receipt requested, to the party being noticed at the following addresses or such other address as the parties shall provide from time to time:

As to City:	City Manager City of Umatilla P.O. Box 2286 Umatilla, FL 32784-2286 352-669-3125 Telephone

As to Owner:	DRT, LLC 390 Golden Gem Drive Umatilla, Florida 32784

Section 26. Entire Agreement. This Agreement sets forth all of the promises, covenants, agreements, conditions, and understandings between the parties hereto, and supersedes all prior and contemporaneous agreements, understandings, inducements or conditions, express or implied, oral or written, except as herein contained. However, the failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve Owner from complying with the law governing said permitting requirements, conditions, terms or restrictions.

Section 27. Term of Agreement. The term of this Agreement shall commence on the date this Agreement is executed by both the City and Owner and shall terminate ten (10) years from the Effective Date, unless extended in accordance with Section 163.3237, Florida Statutes.

Section 28. Amendment. Amendments to the provisions of this Agreement shall be made by the parties only in writing by formal amendment.

Section 29. Severability. If any part of this Development Agreement is found invalid or unenforceable in any court, such invalidity or unenforceability shall not affect the other parts of this Development Agreement, if the rights and obligations of the parties contained herein are not materially prejudiced and if the intentions of the Parties can be effected. To that end, this Development Agreement is declared severable.

Section 30. Recording. This Agreement shall be recorded in the Official Records of Lake County, Florida, within fourteen (14) days after adoption, in accordance with Section 163.3239, Florida Statutes.
